You are responsible for purchasing your child's curriculum and having it on the first day of school. *Students without their curriculum will not be allowed to attend classes.*

Deadlines for Curriculum

CCS recommends buying new curriculum from Homeschooling from the heart OR another CCS parent; this allows little chance of improper editions or texts. If you choose to purchase outside of our recommendation, please understand you are responsible for any additional costs incurred and your child may not be able to begin classes.

If curriculum is paid for and ordered from Homeschooling From the Heart no later than July 18, 2008 then your curriculum is guaranteed to be delivered in time for the start of school. You can pick up at School. This allows parents plenty of time to review the curriculum so they are ready for Parent Orientation.
